## NEWSLETTER

“Achieving Excellence Together”

September 2022

### Dear Parents and Carers

Welcome back to our returning parents, carers and children and welcome to our new families starting out with our Trust schools in September.

The summer holidays seem already in the distant past, and it has been lovely to see that the children have come back so positive and happy after their long break. I am sure we will have a fantastic term, and look forward to the many positive things we have planned for pupils and staff throughout the autumn.

### The Death of the Queen

The Queen's death has been an incredibly sad event for everyone at the Trust. Our schools will all be closed on Monday 19th September as a mark of respect for the Queen, and we would like to thank the Queen for her many years of amazing service and dedication to the nation.

### End of Year Tests and Assessment Results

Whilst there is no published data from the Trust and our schools this year due to the impact of Covid-19, we are very proud of how well the schools have performed in the 2022 external tests and the impact being part of Oak Trees is having on our children. Next year, external data will be published as it was pre-pandemic, but I can assure you that our results this year are very positive. Well done to our amazing school teams who work tirelessly for our children. We do appreciate you!

### MAT Events

We continue to run MAT events which we hope will engage our children, and this term we have a number planned, including MAT Diversity and Children in Need days in November, another MAT cross-country day and on the INSET day for all schools in October we have excellent training on Special Educational Needs and Teaching and Learning from some fabulous speakers. We are so lucky we can do these things together!

### Greasby Junior School

As a brief update, Greasby Juniors are continuing to progress through the conversion process, and we are hopeful that, subject to legal details and staff consultation, the school will convert to join Oak Trees in January. This is an exciting development for our ever-growing Trust, and will mean we have around 2600 pupils and 330 staff across the Oak Trees schools! We are hopeful that further schools will join us in the next 12-18 months, and will keep you updated at each stage of our development.

Take care and thank you for all of your support.

Tony Lacey
